

METS and Non-Bias in the Classroom

*November 3, 2009
A Half Day Workshop*

Target Audience: 4th grade through 12th grade teachers, administrators, curriculum directors, and counselors.

Join Tanya DeGonia and Camille MacDonald (Career Education Coordinators for MCCE)

This 2 and ½ hour presentation explains what the METS initiative consists of (Math, Engineering, Technology and Science), where it came from, why we have this initiative and how to benefit our students. Learn how to increase the quality of interactions with students, become aware of unknown differences in treatment of individuals in the classroom and how to provide a more positive learning environment. Also provided are numerous METS resources to use for presentations.
