

Southeast Missouri State University

January 20, 2010
and
January 29, 2010

9:00 a.m. — 3:00 p.m.

Innovation Center
Room 214A

This 2-day workshop is for the classroom teacher new to using the SMARTboard and SMART Notebook software. During the first day participants will get hands-on experience as they are introduced to using the SMARTboard and SMART Notebook software in their classrooms. During the second day of this hands-on training, participants will gain experience using the latest Toolkit 2.0, video clips, and Internet links to dress up Notebook lessons in their content area. Participants should bring curriculum materials to the second meeting to use in preparing a lesson. Participants will be given the opportunity to purchase college credit for attending both days of this workshop.

Pre-Registration and Cancellation Policy: Pre-registration for Southeast RPDC workshops is required.

Cancellations will be honored with a full refund if received 2 business days prior to workshop.

Registrations received after the registration deadline and walk-ins will be charged an additional fee of \$10.

No-shows and cancellations after the registration deadline will be charged the full price of the workshop.

School districts may substitute pre-registrations without penalty, however.
